

# RENTON SCHOOL DISTRICT CHILD FIND

## Locating, evaluating and helping children with disabilities

***Does your child speak, move or behave differently than other children the same age?***

***Do you have concerns about your preschool child's development?***

Renton School District's **Child Find** provides free developmental screenings through Meadow Crest Early Learning Center for children aged 3-5 years old who reside within the Renton School District boundaries. This screening helps identify possible delays in speech & language, motor, cognitive/learning, self-help or social-emotional development.

To schedule a screening, go to <https://meadowcrest.rentonschools.us/our-school/child-find> and complete a Child Find Intake Form. Screenings are occurring continuously throughout the school year.

**\*\*While schools are providing remote learning due to Covid-19, the process begins with an online screening tool that will be emailed to you. We anticipate completing most evaluations virtually. \*\***

For additional questions contact:  
Lisa Young, Child Find Coordinator, at (425) 204-2205  
[Lisa.young@rentonschools.us](mailto:Lisa.young@rentonschools.us)

- Children who are currently enrolled in Renton Schools (Kindergarten age and older) may be evaluated at their local school. Please contact your local school.
- Age Birth-3: Call 1-800-322-2588 or visit <https://www.kingcounty.gov/depts/community-human-services/developmental-disabilities/services/babies-toddlers.aspx>
- If your family is living in a temporary situation, you may contact the district where you are staying to attend a screening.
- If you do not reside within the Renton School District, please contact the school district that you live in and ask for a free developmental screening.
